

PREVIOUS INSTITUTE ANNUAL CONGRESSES

1st	Pharmaceutical and Fine Chemical Industry University College Dublin, Belfield	Friday 14 May 1976
2nd	Chemistry and the Law University College Dublin, Belfield	Friday 13 May 1977
3rd	Chemistry and the Environment University College Dublin, Belfield	Friday 19 May 1978
4th	The Chemist in Industry University College Cork, Fota Island	Friday 25 May 1979
5th	Chemistry in Ireland in the 80's Sligo Regional Technical College	Friday 16 May 1980
6th	Health and Safety University College Dublin, Belfield	Friday 15 May 1981
7th	Natural Resources University College Galway	Friday 14 May 1982
8th	A planned Congress in Limerick in 1983 was cancelled	
9th	Computers and Chemistry Burlington Hotel, Dublin	Friday 15 May 1984
10th	Chromatography Imperial Hotel, Cork	Friday 24 May 1985
11th	Modern Spectroscopy Montrose Hotel, Dublin	Friday 16 May 1986
12th	Pharmaceutical Chemistry and the Economy University College Galway	Friday 15 May 1987
13th	Chemistry and Food Royal Marine Hotel, Dublin	Friday 13 May 1988
14th	Computers in Analytical Chemistry University College Cork	Friday 7 April 1989
15th	Chemistry and the Environment University of Limerick	Friday 30 March 1990
16th	Polymer Chemistry in Ireland Athlone Regional Technical College	Friday 24 May 1991
17th	Chemistry, Biotechnology and Natural Resources Brandon Hotel, Tralee	Friday 22 May 1992
18th	Legal Responsibilities and the Chemist Silver Swan Hotel, Sligo	Friday 28 May 1993

19th	Challenges Facing Analytical Chemistry Tallaght Regional Technical College	Friday 27 May 1994
20th	The Future for Synthetic Chemistry in Ireland, Academic & Industrial Perspectives University College Galway	Friday 26 May 1995
21st	Information Technology and the Chemist University of Limerick	Friday 17 May 1996
22nd	Recent Trends in the Fine Chemical Sector Athlone Regional Technical College	Friday 16 May 1997
23rd	Chemistry, Product Development and Innovation Institute of Technology, Tralee	Friday 15 May 1998
24th	Chemical Education in a Changing Marketplace Enterprise Ireland, Glassnevin	Thursday 29 April 1999
25th	Chemical Aspects of Food and Drug Safety University College Dublin, Industry Centre	Friday 19 May 2000
26th	Chemistry and the Environment Institute of Technology Carlow	Friday 25 May 2001
27th	Surviving our Toxic World Cork Institute of Technology	Friday 10 May 2002
28th	Chemistry at the Crossroads: Industry and Research Moving Forward Moran's Red Cow Hotel, Dublin	Thursday 1 May 2003
29th	Chemistry, Medicine and Law Galway Mayo Institute of Technology	Thursday 29 April 2004
30th	Chemical Innovation – Encouraging Chemical Entrepreneurs Limerick Institute of Technology	Friday 9 September 2005
31st	Green Chemistry: The Chemist's Role in Sustainable Development Dublin City University	Tuesday 5 September 2006
32nd	Challenges in the Pharmaceutical Industry Institute of Technology Tallaght	Friday 7 September 2007
33rd	Nanotechnology Athlone Institute of Technology	Friday 16 May 2008
34th	The Interface Between Chemistry and Biology University College Dublin, Belfield	Friday 22 May 2009
35th	High Performance Computing at the Chemistry/Biochemistry Interface National University of Ireland Galway	Friday 21 May 2010

- 36th **Commercialisation of Chemistry**
Dublin Institute of Technology, Kevin Street Friday 27 May 2011
- 37th **Chromatography Ireland**
University College Cork Monday 26 November 2012
- 38th A planned Congress in Maynooth in 2013 was cancelled
- 39th **Culturing of Crystal, Chemical and Biochemical Solutions**
Limerick Institute Technology / University Limerick Friday 27 November 2014
- 40th **Asymmetric Synthesis**
University College Dublin Thursday 30 April 2015
- 41st **Chemistry and Society**
Galway-Mayo Institute of Technology Friday 27 May 2016
