

PREVIOUS INSTITUTE ANNUAL CONGRESSES

- 1st Pharmaceutical and Fine Chemical Industry
UCD, Belfield, Dublin Friday 14th May 1976
- 2nd Chemistry and the Law
UCD, Belfield, Dublin Friday 13th May 1977
- 3rd Chemistry and the Environment
UCD, Belfield, Dublin Friday May 19th 1978
- 4th The Chemist in Industry
UCC, Fota Island, Cork Friday 25th May 1979
- 5th Chemistry in Ireland in the 80's
Sligo RTC, Sligo Friday 16th May 1980
- 6th Health and Safety
UCD, Belfield, Dublin Friday 15th May 1981
- 7th Natural Resources
UCG, Galway Friday 14th May 1982
- 8th A planned Congress in Limerick in 1983 was cancelled
- 9th Computers and Chemistry
Burlington Hotel, Dublin Friday 15th May 1984
- 10th Chromatography
Imperial Hotel, Cork Friday 24th May 1985
- 11th Modern Spectroscopy
Montrose Hotel, Dublin Friday 16th May 1986
- 12th Pharmaceutical Chemistry and the Economy
UCG, Galway Friday 15th May 1987
- 13th Chemistry and Food
Royal Marine Hotel, Dublin Friday 13th May 1988
- 14th Computers in Analytical Chemistry
UCC, Cork Friday 7th April 1989
- 15th Chemistry and the Environment
University of Limerick 30th March 1990
- 16th Polymer Chemistry in Ireland
Athlone Regional Technical College Friday 24th May 1991
- 17th Chemistry, Biotechnology and Natural Resources
Brandon Hotel, Tralee Friday 22 May 1992
- 18th Legal Responsibilities and the Chemist
Silver Swan Hotel, Sligo Friday 28th May 1993.
- 19th Challenges Facing Analytical Chemistry
Tallaght Regional Technical College Friday 27 May 1994.
- 20th The Future for Synthetic Chemistry in Ireland, Academic and Industrial
Perspectives
University College Galway Friday 26th May 1995
- 21st Information Technology and the Chemist
University of Limerick, Castletroy Friday 17th May 1996
- 22nd Recent Trends in the Fine Chemical Sector

Athlone Regional Technical College Friday 16 May 1997
23rd Chemistry, Product Development and Innovation
Institute of Technology, Tralee Friday 15 May 1998
24th Chemical Education in a Changing Marketplace
Enterprise Ireland, Glasnevin Thursday 29th April 1999
25th Chemical Aspects of Food and Drug Safety
Industry Centre, University College Dublin Friday 19th May 2000
26th Chemistry and the Environment
Institute of Technology, Carlow Friday 25th May 2001
27th Surviving our Toxic World
Cork Institute of Technology, Cork Friday 10th May 2002
28th Chemistry at the Crossroads: Industry and Research Moving Forward
Moran's Red Cow Hotel, Dublin Thursday 1st May 2003
29th Chemistry, Medicine and Law
Galway Mayo Institute of Technology Thursday 29th April 2004
30th Chemical Innovation – Encouraging Chemical Entrepreneurs
Limerick Institute of Technology Friday 9th September 2005
31st Green Chemistry: The Chemist's Role in Sustainable Development
Dublin City University Tuesday 5th September 2006
32nd Challenges in the Pharmaceutical Industry
Institute Technology, Tallaght Friday 7th September 2007
33rd Nanotechnology
Athlone Institute of Technology Friday 16 May 2008
34th The Interface between Chemistry and Biology
35th High Performance Computing at the Chemistry/Biochemistry Interface
National University of Ireland Galway Friday 21 May 2010
36th Commercialisation of Chemistry
DIT, Kevin Street, Dublin 8, Friday 27th May 2011.
37th Chromatography Ireland
University College Cork 26th November 2012
38th None held.
39th Culturing of Crystal, Chemical and Biological Solutions
Limerick Institute of Technology 18th September 2014
40th Modern approaches to Asymmetric Synthesis
University College Dublin Thursday 30th April 2015
41st Chemistry and Society
Galway Mayo Institute of Technology Friday 27th May 2016
42nd Food Chemistry
Dublin Institute of Technology, Kevin Street Wednesday 21st June 2017
43rd Drug Development, Delivery and Manufacturing
Athlone Institute of Technology Thursday 24th May 2018
