

FUNDS FOR STUDENT CHEMICAL SOCIETIES TO SUPPORT AN INSTITUTE OF CHEMISTRY OF IRELAND LECTURE

Applications are invited from student chemical societies for funds up to €100 to support a designated “Institute of Chemistry of Ireland Lecture” on any topic related to Chemistry.

The funds must be used to support an “Institute of Chemistry of Ireland Lecture” approved by the Institute.

Whenever practicable, the Institute would like to encourage a student society to organise its event jointly with a similar society (or societies) of a nearby university or regional technical college. Both societies should benefit from a joint event and both societies may apply for funding.

Eligibility for Award

To be eligible for funding, at least 50% of the membership of the student chemical society must be Registered on a Course leading to a qualification in Chemistry, or equivalent, recognised by the Institute.

Conditions of Award

The Lecture must be advertised as an Institute of Chemistry of Ireland Sponsored Event.

A report of the event, or an abstract of the lecture (approx. 250 words) should be submitted to the Honorary Secretary within one month of the event.

Where Full Papers are available, the Institute requests that copies be submitted. All reports and/or papers will be considered for possible publication in our journal *Irish Chemical News*, and further publication is also encouraged.

Completed Application Forms should be returned or emailed to:

**The Honorary Secretary,
The Institute of Chemistry of Ireland,
PO Box 9322,
Ravensdale Road,
Dublin D03 CY66.
Email: info@instituteofchemistry.org**
