

The Institute of Chemistry of Ireland  
is delighted to announce the call for nominations for the following prestigious ICI award:  
**The ICI Annual Award for Chemistry (Eva Philbin Public Lecture Series) 2020**

**Deadline for receipt of nominations: Friday, 29<sup>th</sup> January, 2021**

---

### **The ICI Annual Award for Chemistry (Eva Philbin Public Lecture Series)**

This award is for a practising chemist, who has made a significant contribution to the advancement of chemistry and has considerably raised the profile of chemistry through both the excellence of their work and their ability to communicate in an effective and lucid manner. **The recipient, who must be a chemist of repute working in Ireland**, will present lectures in three locations in Ireland (including Dublin), which will be open to the public. A person nominated for this award must be a member of the Institute at the time of nomination or upon receipt of the award.

*Nomination process: The nominator shall send one electronic copy of their nomination by email to the President of the Institute, Professor Celine Marmion ([cmarmion@rcsi.com](mailto:cmarmion@rcsi.com)) which will include a cover letter providing a brief statement outlining the reasons for the nomination, together with a CV (maximum 3 pages) of the nominee. Nominations for this award will be independently reviewed.*
