

The Irish Biological Inorganic Chemistry Society (IBICS) will host its 5th Symposium (IBICS-5) virtually on Friday, 26th November, 2021

The symposium will include two plenary lectures from international experts:

Professor Bill Keevil
Professor of environmental healthcare
University of Southampton UK

and

Professor Phoebe Glazer
Associate Professor of Biological Chemist
University of Kentucky USA

The symposium will also include the presentation of the **IBICS Postgraduate Award 2021**

DETAILS

Platform: MS Teams (link will be sent by email in advance of date): Time: 11.00 – 17.00

IBICS AGM: To immediately follow the symposium 17.30

Registration deadline: Wednesday, 24th November, 2021

Registration Fee: Free for IBICS members (Please register via link provided)

Abstract submission deadline: Friday, 12th November, 2021 (Abstracts to be emailed to: secretary@ibics.ie)

Further details on our website: <https://ibics.ie/> and via Twitter @IbicsIreland

The Society's mission is to develop, foster and promote a strong national network of scientists collaborating in research areas such as biology, chemistry, physics and medicine with an interest in biological inorganic chemistry.
