

Institute of Chemistry of Ireland Annual Awards Ceremony and 77th Annual General Meeting

Thursday, 28th May, 2026

Venue: University College Dublin, O'Brien Centre for Science, Lynch
Theatre (Theatre F) in Science Hub

- 2.30-3.20 Professor Fiona Regan, Dublin City University (Eva
Philbin Award Lecture 2026) - **"Is Every Sea One Water?
Understanding sources, pathways and remediation of a cocktail
of chemicals in water"**
- 3.20-3.40 Ruairi Crawford, University College Dublin (Dervilla Donnelly
Postgraduate Award 2026) **"Leveraging Flow Chemistry: From
Improving Established Reactions to Uncovering New Reactivity"**
- 3.40-3.50 **Break**
- 3.50-4.40 Professor Thorri Gunnlauggson, Trinity College Dublin (Boyle-Higgins
Medal 2026) - **"Supramolecular Systems and Nanomaterials: A
(long) journey to attempt to exert control over self-assembly
processes"**
- 4.50-5.45 ICI AGM and Wine Reception
